

Data Dictionary for Container Throughput Statistics

Container Throughput of Hong Kong Port - csv1

Name	Description	Remarks
Year	Year of the statistical figures	Data type: Numeric
Month	Month of the statistical figures	Data type: Text Acceptable values: All, or abbreviations of months
Kwai Tsing Container Terminals ( '000 TEUs)	Container throughput handled by Kwai Tsing Container Terminals (in '000 TEUs)	Data type: Numeric Figures are from Census and Statistics Department. The latest 2-month figures are estimated by the Hong Kong Maritime and Port Development Board (HKMPDB) Secretariat based on the data provided by major operators.

Other than Kwai Tsing Container Terminals ( '000 TEUs)	Container throughput handled at locations other than Kwai Tsing Container Terminals (in '000 TEUs)	Data type: Numeric Figures are from Census and Statistics Department. The latest 2-month figures are estimated by the Hong Kong Maritime and Port Development Board (HKMPDB) Secretariat based on the data provided by major operators.
Total ( '000 TEUs)	Total container throughput (in '000 TEUs)	Data type: Numeric Figures are from Census and Statistics Department. The latest 2-month figures are estimated by the Hong Kong Maritime and Port Development Board (HKMPDB) Secretariat based on the data provided by major operators.

Kwai Tsing Container Terminals (Year-on-year change %)	Container throughput handled by Kwai Tsing Container Terminals (Year-on-year change %)	Data type: Numeric Figures are from Census and Statistics Department. The latest 2-month figures are estimated by the Hong Kong Maritime and Port Development Board (HKMPDB) Secretariat based on the data provided by major operators.
Other than Kwai Tsing Container Terminals ( Year-on-year change %)	Container throughput handle at locations other than Kwai Tsing Container Terminals (Year-on-year change %)	Data type: Numeric Figures are from Census and Statistics Department. The latest 2-month figures are estimated by the Hong Kong Maritime and Port Development Board (HKMPDB) Secretariat based on the data provided by major operators.

Total ( Year-on-year change %)	Total container throughput (Year-on-year change %)	<p>Data type: Numeric</p> <p>Figures are from Census and Statistics Department. The latest 2-month figures are estimated by the Hong Kong Maritime and Port Development Board (HKMPDB) Secretariat based on the data provided by major operators.</p>

Container Throughput of Kwai Tsing Container Terminals - csv2

Name	Description	Remarks
Year	Year of the statistical figures	Data type: Numeric
Month	Month of the statistical figures	Data type: Text Acceptable values: All, or abbreviations of months
Inward Laden Container ( '000 TEUs)	Inward laden container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Inward Empty Container ( '000 TEUs)	Inward empty container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Inward Sub-total ( '000 TEUs)	Inward sub-total container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.

Outward Laden Container ( '000 TEUs)	Outward laden container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Outward Empty Container ( '000 TEUs)	Outward empty container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Outward Sub-total ( '000 TEUs)	Outward sub-total container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Overall Laden Container ( '000 TEUs)	Overall laden container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Overall Empty Container ( '000 TEUs)	Overall empty container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.

Total ( '000 TEUs)	Total container throughput (in '000 TEUs)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
--------------------	---	--

Inward Laden Container (Year-on-year change %)	Inward laden container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Inward Empty Container (Year-on-year change %)	Inward empty container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Inward Sub-total (Year-on-year change %)	Inward sub-total container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Outward Laden Container (Year-on-year change %)	Outward laden container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Outward Empty Container (Year-on-year change %)	Outward empty container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.

Outward Sub-total (Year-on-year change %)	Outward sub-total container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Overall Laden Container (Year-on-year change %)	Overall laden container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.

Overall Empty Container (Year-on-year change %)	Overall empty container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
Total (Year-on-year change %)	Total container throughput (Year-on-year change %)	Data type: Numeric Figures are from container terminal operators. The latest 2-month figures are preliminary figures.
