**Note:**

1. The above parking related information is collated from the data provided by various departments, organisations and car park management companies or operators, and is for general reference only. The departments, organisations, management companies or operators responsible for managing the car parks may make adjustments to the numbers/types of parking spaces to suit their own requirements. Thus, the actual number of parking spaces may differ from the above tabulated figures.
2. Private car parking spaces can be used by private cars, taxis, as well as van-type light goods vehicles with such sizes that can be accommodated within the private car parking spaces.
