

Public Suggestions Taken on Board by
Relevant Government Departments/Public Transport Operators
(January – March 2026)

I. Public Transport Services

- Provide bus interchange fare concessions to passengers of Citybus route no. 962G and X962.
- Add a new bus stop at Po Hong Road near Kwong Ming Court for KMB route no. 290X (Tsuen Wan West Station bound).

II. Traffic Management

Hong Kong Island

- Reduce the waiting time for the pedestrian green light at Kut Shing Street to facilitate pedestrians crossing the road.
- Add “Please Do Not Cross Here” traffic signs at Kut Shing Street to remind pedestrians not to cross the road at the location near Lee Chung Street.

Kowloon

- Remove a temporary road sign at Argyle Street near Evangel Hospital to enhance safety of pedestrians.
- Adjust the volume of the Electronic Audible Traffic Signals at the junction of Hoi Wang Road and Hoi Ting Road to minimise disturbance affecting nearby residents.
- Increase the pedestrian green time of the traffic lights at the junction of Shing Fung Road and Kai Tak Bridge Road to facilitate pedestrians crossing the road.
- Adjust the cycle time of the traffic lights to shorten the waiting time for pedestrian crossing at the junction of Haiphong Road and Canton Road from 7.30am to 9.30am from Mondays to Saturdays.

New Territories

- Increase the vehicular green time of the traffic lights at the junctions of Po Yap Road, Po Shun Road, Chui Ling Road and Tseung Lam Highway to improve traffic flow.
- Adjust the pedestrian green time of the traffic lights at the junction of Chung Mei Road near Hong Shing House to facilitate pedestrians crossing the road.
- Increase the vehicular green time of the traffic lights at the junction of Kwong Fuk Road and Nam Wan Road between 3pm to 5pm from Mondays to Saturdays to improve traffic flow.
