Dear Sirs,

**Re: Privatisation of the Airport Authority**

I support the privatisation of the Hong Kong airport with the following conditions:

1. To sell most of the shares to citizen of Hong Kong but not to foreign investors since the Airport belongs to people of Hong Kong.
2. The Government should sell more shares so that everyone in Hong Kong can be allotted.
3. It should be sold at a good price but not below book value.

Best Regards,

Mrs. Lee Yuk Ming
