Subject: IPO
 Urgent Return Receipt

30/05/2005 20:41

I am a Hong Kong born tax-payer. Due to the low saving interest rates, I use to invest in bonds, securities and funds in order to earn and save money for my retirement plan. As an investor, I am confident that the Airport Authority can bring me fruitful return through IPO.

I fully support the privatisation of the Airport Authority.

Regards,

Jenny Lai
