

Roads (Works, Use and Compensation) Ordinance (Chapter 370)

Scheme annexed to Plan No. 60651828/GAZ/001 under section 5 describing

PWP Item No. 4427DS Construction and Rehabilitation of Sewage Rising Mains in Southern District

General Description of the Works

Under powers delegated by the Secretary for Transport and Logistics under section 3(3) of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) (“the Ordinance”), the Permanent Secretary for Transport and Logistics proposes to execute the road works within the limit of works area as shown on Plan No. 60651828/GAZ/001 (“the Plan”) annexed hereto and described hereunder. The proposed road works are required to provide pedestrian boardwalk along the Staunton Creek Nullah.

2. The general nature of the proposed works is as follows:-
 - (i) construction of boardwalks and landscape decks along the Staunton Creek Nullah;
 - (ii) temporary closure and reconstruction of a section of the existing footpath; and
 - (iii) ancillary works including drainage, geotechnical, public lighting, landscaping, utility works, and installation of street furniture.

Roads to be Closed

3. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 17 of the Ordinance may be exercised to close temporarily sections of the existing

footpaths, access roads and amenity areas within the limit of works area as shown on the Plan. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such footpaths, access roads and amenity areas are to be closed, will be issued under section 18 of the Ordinance as and when required.

Apparatus whose Course or Position to be Altered

4. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 20 of the Ordinance may be exercised to require alteration of the course or position of any gas, electricity, water or telecommunications services apparatus, such as electricity cables and ducts, telecommunication cables and ducts, water mains, stormwater drains, sewers, gas pipes and any other service apparatus lying within the limit of works area, and to require repairing of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and such road surface is to be repaired, will be issued under section 20 of the Ordinance as and when required.
