### **PWP Item No. 5115AP Expansion of Aberdeen Typhoon Shelter – Road Works**

#### General Description of the Works

Under powers delegated by the Secretary for Transport and Logistics under section 3(3) of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) (“the Ordinance”), the Permanent Secretary for Transport and Logistics proposes to execute the road works within the limit of works area as shown on Plans Nos. 60684361/GAZ/201 to 60684361/GAZ/202 (“the Plans”) annexed hereto and described hereunder. The proposed road works are required to provide two open spaces, i.e. one at the existing breakwater connecting Shum Wan Road and one at a proposed breakwater in Tai Shue Wan, as well as a pedestrian walkway to link up Ocean Drive and the open space at a proposed breakwater in Tai Shue Wan.

2. The general nature of the proposed works is as follows: –

- (i) construction of a pedestrian walkway and an open space;
- (ii) modification and conversion of the existing breakwater into a breakwater cum open space; and
- (iii) ancillary works including landscaping, drainage, utilities, lighting, electrical and mechanical works, and installation of street furniture.

Roads to be Closed

3. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 17 of the Ordinance may be exercised to close temporarily sections of the existing carriageway and footpaths within the limit of works area as shown on the Plans. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such carriageway and footpaths are to be closed, will be issued under section 18 of the Ordinance as and when required.

Apparatus whose Course or Position to be Altered

4. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 20 of the Ordinance may be exercised to require alteration of the course or position of any gas, electricity, water or telecommunications service apparatus, such as electricity cables and ducts, telecommunication cables and ducts, water mains, stormwater drains, sewage pipes, gas pipes and any other apparatus lying within the limit of works area, and to require repairing of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and such road surface is to be repaired, will be issued under section 20 of the Ordinance as and when required.
