

## **Roads (Works, Use and Compensation) Ordinance (Chapter 370)**

### **Scheme annexed to Plan No. PSWR/GZP/101 under section 5 describing**

### **PWP Item No. 6833TH Retrofitting of Noise Barriers on Po Shek Wu Road**

#### **General Description of the Works**

Under powers delegated by the Secretary for Transport and Logistics under section 3(3) of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) (“the Ordinance”), the Permanent Secretary for Transport and Logistics proposes to execute the road works within the limit of works area as shown on Plan No. PSWR/GZP/101 (“the Plan”) annexed hereto and described hereunder. The proposed road works are required to mitigate the traffic noise along two sections of Po Shek Wu Road.

2. The general nature of the proposed works is as follows:–
  - (i) installation of cantilevered noise barriers at the section of Po Shek Wu Road between Jockey Club Road and Po Wan Road;
  - (ii) installation of cantilevered noise barriers at the section of Po Shek Wu Road near Tai Tau Leng Roundabout;
  - (iii) temporary closure of sections of the existing carriageway, footpaths and cycle tracks; and reinstatement works after completion of works; and
  - (iv) ancillary works including civil, geotechnical, landscaping and drainage works.

#### **Roads to be Closed**

3. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 17 of

the Ordinance may be exercised to close temporarily sections of the existing carriageway, footpaths and cycle tracks within the limit of works area as shown on the Plan. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such carriageway, footpaths and cycle tracks are to be closed, will be issued under section 18 of the Ordinance as and when required.

Apparatus whose Course or Position to be Altered

4. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 20 of the Ordinance may be exercised to require alteration of the course or position of any gas, electricity, water or telecommunications service apparatus, such as electricity cables and ducts, telecommunication cables and ducts, water mains, gas pipes, drainage pipes, sewers and any other apparatus lying within the limit of works area, and to require repairing of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and such road surface is to be repaired, will be issued under section 20 of the Ordinance as and when required.
