

Roads (Works, Use and Compensation) Ordinance (Chapter 370)

Scheme annexed to Plan No. 427613-MMH-T6-C-DR-GZ1000 under section 5 describing

PWP Item No. 6886TH Widening of T6 Bridge of Tate's Cairn Highway across Sha Tin Sewage Treatment Works and Shing Mun River Channel

General Description of the Works

Under powers delegated by the Secretary for Transport and Logistics under section 3(3) of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) ("the Ordinance"), the Permanent Secretary for Transport and Logistics proposes to execute the road works within the limit of works area as shown on Plan No. 427613-MMH-T6-C-DR-GZ1000 ("the Plan") annexed hereto and described hereunder. The proposed road works serve to widen T6 Bridge of Tate's Cairn Highway from a dual two-lane carriageway to a dual three-lane carriageway.

2. The general nature of the proposed works is as follows:–
 - (i) construction of elevated carriageways to widen a section of the existing elevated carriageways on T6 Bridge of Tate's Cairn Highway;
 - (ii) existing government foreshore and/or sea-bed to be affected by/reclaimed for the foundation works of the proposed elevated carriageways in (i);
 - (iii) temporary closure and reconstruction of sections of the existing elevated carriageways; and
 - (iv) ancillary works including drainage, sewerage, water, utilities, landscaping, public lighting, electrical and mechanical works, as well as installation of street furniture and traffic aids.

Roads to be Closed and Government Foreshore and/or Sea-bed to be Affected/
Reclaimed

3. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 17 of the Ordinance may be exercised to close temporarily sections of the existing at-grade carriageways, elevated carriageways, cycle tracks, footpaths, pedestrian crossings and amenity areas; and to affect/reclaim the Government foreshore and/or sea-bed within the limit of works area as shown on the Plan. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such at-grade carriageways, elevated carriageways, cycle tracks, footpaths, pedestrian crossings and amenity areas are to be closed, and such Government foreshore and/or sea-bed are to be affected/reclaimed, will be issued under section 18 of the Ordinance as and when required.

Apparatus whose Course or Position to be Altered

4. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 20 of the Ordinance may be exercised to require alteration of the course or position of any gas, electricity, water or telecommunications service apparatus, such as electricity cables and ducts, telecommunication cables and ducts, water mains, stormwater drains, sewers, gas pipes and any other apparatus lying within the limit of works area, and to require repairing of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and such road surface is to be repaired, will be issued under section 20 of the Ordinance as and when required.
