Federal Express (Hong Kong) Limited	1	This intern will be working on regional projects such as Employee Wellbeing Study and People Policy Modernization, which directly contribute to the safety, wellbeing and performance of our employees in FedEx Express including employees who work in airplane maintenance and flight network planning. Recommendations that come from the employee wellbeing study will help reduce burnout in the workplace and enhance safety, wellbeing and performance. People Policy Modernization will make policies and guidelines in our company easy to access, to read and to use, which saves time for both our employees and managers including those in the airplane maintenance and flight network planning departments. They can use the time saved on more meaningful work that they do.	01/07/2023 – 01/08/2023	\$8,850	<ul style="list-style-type: none"> <li>Students pursuing undergraduate degrees in any discipline such as Human Resources, Communication, and Psychology</li> <li>Students with digital visual design skills (amateur level is ok) are preferred</li> <li>Proficient in both written and spoken English</li> <li>Willing to learn, self-motivated, team- and customer-focused, and has a strong sense of responsibility</li> </ul>	01/07/2023	Jijis
