

**Maritime and Aviation Training Fund
Application for Local Vessel Trade Training Incentive Scheme**

Notes to Applicant

General Information

1. The Transport and Logistics Bureau launched the Maritime and Aviation Training Fund (MATF) on 1 April 2014 to support the manpower training of the maritime and aviation industries. One of the initiatives under MATF is the Local Vessel Trade Training Incentive Scheme (the Scheme). Under the Scheme, an eligible applicant may receive incentives of not more than HK\$30,000. The Scheme is administered by Marine Department (MD).
2. The objective of the Scheme is to encourage the new joiners who have completed the approved training courses under the Scheme and are employed in the local vessel trade industry to obtain their first professional qualification as a local coxswain or engine operator by financial incentive. The list of approved training courses was suggested by the tripartite representatives from the government, the industry and training institutes and it will be reviewed as and when necessary. The list is on the website of MD, i.e. <https://www.mardep.gov.hk>.

Format and Level of Support

3. A successful applicant during their employment period will be provided with a monthly incentive of HK\$2,500, for 12 months with a total of HK\$30,000, in which HK\$1,000 of each month will be provided to the applicant who successfully passes the examination and obtains a Local Coxswain / Engine Operator Grade 3 Certificate.
4. The incentive under the Scheme will be provided monthly in equal amount and will be automatically transferred into the successful applicant's bank account as provided in the Application Form monthly.
5. The monthly incentive will be provided in the first ten working days of each month. It will not be provided if an applicant has not worked for a whole month. An applicant has to inform MD immediately in writing if his/her employment contract is terminated during the period obtaining the incentive. The applicant will no longer be eligible for the Scheme even he/she is employed in the local vessel industry again. ^{Note}
6. The HK\$1,000 incentive of each month which is yet to be released will be provided in 4 to 6 weeks upon the receipt of written notice from the applicant of his/her successful passing the examination and obtaining of Local Coxswain / Engine Operator Grade 3 Certificate.
7. The incentive will be granted on a first-come-first-served basis until funding for the Scheme has been expended. At the same time, incentives under the Scheme will only be granted to each applicant once.
(Note: For example, if an applicant is eligible for the monthly incentive under the Scheme on the 10th of May 2014, the incentive would start from June and the first release would be in July. If an applicant resigned on the 20th of Oct, the monthly incentive for October would not be given.)
